Standing Order Payment Conditions

1. Payment by 10 monthly standing orders, from October to July inclusive, is permitted and is subject to a credit/administration charge - currently £25 which is payable for any standing order arrangements;
2. Standing order payments must reach the Club's bank account by the 7th of each month (because of delays in the banking system in transferring money, the date on the standing order to the member's bank must be no later than the 5th of the month);
3. Members failing to set up standing orders in time for the October payment (or later payments) shall pay the amount of the missed payments by cash or cheque before being permitted to pay the remainder of the subscription by standing order;
4. Members joining during the year may pay their subscription by monthly standing order but the subscription must be paid by the 7th of each month and in full by the 7th July;
5. Failure to pay a standing order by the due date could result in playing rights being withdrawn;
6. Standing order payers ceasing to be members during the year remain liable for all outstanding instalments.
